

SolarTech Power Solutions

Brand new outdoor power supply for sale in France

Overview

What types of portable power solutions does allpowers® Europe offer?

Privacy Policy & Terms Allpowers® Europe offers a range of portable power solutions, including solar generators, outdoor camping RV portable power stations, home backup power stations, and solar panels. Recharge for a better life and empower a beautiful world.

Why should you buy allpowers?

Buy Now » From wilderness camping to home emergencies, from outdoor creation to mobile office, ALLPOWERS provides ready-to-use, safe and reliable portable energy, allowing inspiration to continue and life to be online at any time. Battery cycle life is a key indicator of how long a portable power station will reliably perform.

What voltages are available for a power supply?

Our easy to use, reliable and efficient power supplies are available with output voltages from 12VDC to 349VDC and from 115VAC to 440VAC (other voltages on request). The power range is from a few Watts to 100kW. Available in wall mount, mobile or floor mount versions.
