The Faso Energy solar panel production unit is located in the industrial zone of the Kossodo district of Ouagadougou. There, the latest generation machines of European origin cover the entire production chain. Burkina Faso is leading the way in renewable energy in West Africa. However, this wasn't.

Discover comprehensive insights into the statistics, market trends, and growth potential surrounding the solar panel manufacturing industry in Burkina Faso. Ouagadougou, Burkina Faso receives an average of 3,031 hours of sunlight per year, with approximately 8 hours and 17 minutes of direct sunlight.

ENF Solar is a definitive directory of solar companies and products. Information is checked, categorised and connected. Company profile for solar panel manufacturer Faso Energy - showing the company's contact details and products manufactured.

Accélérez votre indépendance énergétique dès maintenant au meilleur prix !
Qui sommes-nous ?

Fondée en 2020 avec une mission claire : rendre l'énergie solaire accessible à tous au Burkina Faso. Notre premier projet majeur en 2021 a permis d'installer des systèmes solaires hors réseau dans les zones.
