

SolarTech Power Solutions

China-Africa solar panel supplier

51.2V
200Ah/300Ah
LiFePO4 battery

Overview

Africa is rapidly scaling up its solar power capacity, with imports of Chinese solar panels surging 60% in the 12 months to June, according to climate think tank Ember. China, which produces around 80% of the world's solar panels, remains Africa's main supplier.
