Energy Storage Project Cost Rate

Overview

Energy storage systems (ESS) for four-hour durations exceed \$300/kWh, marking the first price hike since 2017, largely driven by escalating raw material costs and supply chain disruptions. Geopolitical issues have intensified these trends, especially concerning lithium and nickel.

Energy storage systems (ESS) for four-hour durations exceed \$300/kWh, marking the first price hike since 2017, largely driven by escalating raw material costs and supply chain disruptions. Geopolitical issues have intensified these trends, especially concerning lithium and nickel.

DOE's Energy Storage Grand Challenge supports detailed cost and performance analysis for a variety of energy storage technologies to accelerate their development and deployment. The U.S. Department of Energy's (DOE) Energy Storage Grand Challenge is a comprehensive program that seeks to accelerate.

This report is available at no cost from NREL at Cole, Wesley, Vignesh Ramasamy, and Merve Turan. 2025. Cost Projections for Utility-Scale Battery Storage: 2025 Update. Golden, CO: National Renewable Energy Laboratory. NREL/TP-6A40-93281.

The Energy Storage Grand Challenge (ESGC) is a crosscutting effort managed by the Department of Energy's Research Technology Investment Committee. The project team would like to acknowledge the support, guidance, and management of Paul Spitsen from the DOE Office of Strategic Analysis, ESGC Policy.

Home and business buyers typically pay a wide range for Battery Energy Storage Systems (BESS), driven by capacity, inverter options, installation complexity, and local permitting. This guide presents cost and price ranges in USD to help plan a budget and compare quotes. The information focuses on.

In 2025, you're looking at an average cost of about \$152 per kilowatt-hour (kWh) for lithium-ion battery packs, which represents a 7% increase since 2021. Energy storage systems (ESS) for four-hour durations exceed \$300/kWh,

marking the first price hike since 2017, largely driven by escalating raw.
