Syria's new budget highlights a growing gap between official figures and everyday hardship, raising doubts about promises of reform and sustainable growth. The general budget in Syria reflects the level of government performance and serves as a key indicator of the country's economic and social.

Published Jan 7, 2025 9:23 PM by The Maritime Executive Turkey and Qatar are joining forces to provide two floating power stations for the new government of Syria, an official in Damascus announced Tuesday. The Syrian electrical grid has been devastated by more than a decade of warfare, and now.

The Syrian military, once a formidable conventional force in the Levant, is in a state of profound flux following the collapse of the Assad regime in December 2024. For decades, the Syrian Arab Armed Forces (SAAF) were structured to confront Israel, but a decade of grueling civil war fundamentally.

Demand grew by roughly 7.5% per year during this decade, fueled by the expansion of Syria's sandsectors, the spread of energy-intensive , and state policies (i.e. high and low) that encourage The system consists of a live mobile base station site with a mobile connection to the site, local.

Graduation ceremony for trainees within the Syrian Democratic Forces (SDF) – North Press DAMASCUS, Syria (North Press) – The U.S. Department of Defense

submitted on its proposed 2026 budget to Congress, which includes \$130 million in funding to support the Syrian Democratic Forces (SDF) and the.
