

SolarTech Power Solutions

Georgia s latest and most advanced solar panels

Overview

How many new solar projects are being built in Georgia?

ATLANTA, Ga. (WTOC) - Georgia Power is moving forward with five new solar projects across the Peach State, after receiving approval from the Georgia Public Service Commission.

Is Georgia a good state to install solar panels?

With higher than average electricity prices and abundant sunshine, Georgia's a pretty great state for solar energy. It may not have the best local solar incentives, but as a Georgian, you can still take advantage of solar's most valuable incentive, the Federal Tax Credit. Here's what you should know about installing solar panels in the Peach State.

Do all solar facilities belong to Georgia Power?

Not all solar facilities you may come across belong to Georgia Power. We have constructed and are operating 16 solar farms and additional demo facilities across the state of Georgia, many in partnership with military installations. The largest, at 128 MW of capacity, is located at Robins Air Force Base in Warner Robins, Georgia.

Where is Georgia's largest solar power plant located?

The largest, at 128 MW of capacity, is located at Robins Air Force Base in Warner Robins, Georgia. Other facilities add carbon-free energy to the grid and supply renewable energy in support of our Community Solar program. 1. North Georgia.

What's going on with Georgia's solar industry?

Politics envelops the solar industry. Vice President Kamala Harris visited the plant earlier this year. At the state level, Republican Gov. Brian Kemp has wrestled with Democratic U.S. Sen. Jon Ossoff over political credit for electric vehicle and renewable energy investments flowing to Georgia.

Does Georgia have solar?

Want Solar?

Sunlight is one of Georgia's most abundant resources with an average of 218 sunny days per year. More than 3,000 MW of solar resources, or approximately 12% of our total capacity*, generate significant carbon-free energy for Georgians during sunny, daylight hours.
