They are incredibly experienced with building these types of homes and can help you create almost anything.

What is a container home project?

The container home project is an umbrella term for all our work in this domain. Whether it's a compact single unit, a large family home, a luxurious residence, or a mobile house, our container homes always stand out for their quality, design, and value for money.

What is a container House Europe?

Every container house, including Karmod's container house Europe models, has unique specifications that cater to various living requirements. These homes are tailored to align with the European standards of living, guaranteeing a comfortable and high-quality lifestyle.

What is a container house?

A container house is the perfect solution for small businesses such as a coffee shop, food truck, or ticketing office. You can make use of your properties by installing Housepeak container home and let out on hire as accommodation units on Hotel, Airbnb and etc. Whole frame of the container houses welded/bolt with steel.

What is a container Mobil House?

Our container mobil house project showcases the true potential of mobile living. Designed for easy transportation, these homes are perfect for those who crave an adventurous lifestyle or require regular relocation. The house from container project demonstrates our ability to transform a simple shipping

container into a comfortable, livable home.

What is a shipping container home?

A shipping container home is a house built using disused and recycled shipping containers. These containers are made of all steel and are used to move goods around the world on trucks, ships, and trains. Once they are put out of commission, they are either recycled or stored away.
