

## SolarTech Power Solutions

# Highlight home solar all-in-one machine

## Overview

---

How does highlight solar work?

Highlight Solar works directly with leading manufacturers. You are then contacted with a complete quote listing product and installation costs. We also provide you estimated energy savings so you can make an informed decision. "The system was up and running in only 2-3 weeks from the time we signed the contract.

Who is highlight solar?

Highlight Solar is your ideal partner for Solar and Battery clean renewable energy. We also install high quality pool solar collectors that can double your swimming season. SIGN UP TO OUR NEWSLETTER! By subscribing to our mailing list you will always be update with the latest news. © 2024 Highlight Solar, Inc. All Rights Reserved.

Does highlight Solar do PG&E?

Highlight Solar completed the solar installation on time and passed inspection the first time. Highly recommended! Based on other reviews, we chose Highlight and we are glad we did. They did all the paperwork, worked with the city, had the inspections done, and submitted the PG&E paperwork. Too easy. Why didn't I do this years ago?
