

## SolarTech Power Solutions

# Huawei Myanmar Liquid Cooling Energy Storage

## Overview

---

Huawei's LUNA2000-215kWh is a next-generation C&I (Commercial & Industrial) hybrid cooling energy storage solution, combining liquid and natural air cooling to maintain maximum efficiency — even under heavy loads and extreme climates.

Huawei's LUNA2000-215kWh is a next-generation C&I (Commercial & Industrial) hybrid cooling energy storage solution, combining liquid and natural air cooling to maintain maximum efficiency — even under heavy loads and extreme climates.

AI applications, high-performance computing, and GPU servers have driven the power consumption of a data center rack as high as 20 kW, 30 kW, or even 50 kW. This increase in power density has posed an unprecedented challenge to conventional cooling systems. To address this challenge, Huawei.

The FusionSolar C&I LUNA2000-215-2S10 significantly advances the energy storage industry, promising enhanced efficiency and reliability Huawei Digital Power Sub-Saharan Africa announces a ground-breaking solution that will meet the dynamic demands of the commercial and industrial (C&I) energy.

hed the iCooling@AI solution powered by big data and AI. The solution further reduces the energy consumption of data centers while enab it one of the key means for data centers to improve PUE. The liquid cooling solution for data center is still in the rowth stage,and the implementation is mostly.

☐☐ Meet the future of industrial energy storage — the Huawei LUNA2000-215kWh C&I Hybrid Cooling ESS Energy Storage System is here! In this video, we take a closer look at how this innovative system is changing the game for commerci. more ☐☐ Meet the future of industrial energy storage — the Huawei.

Huawei Digital Power has launched the FusionSolar C&I LUNA2000-215-2S10 Energy Storage System, designed to meet the dynamic demands of the commercial and industrial (C&I) energy storage sector across the country.

With a focus on system safety, refined management, and intelligent applications, the.

Energy Storage System Products List covers all Smart String ESS products, including LUNA2000, STS-6000K, JUPITER-9000K, Management System and other accessories product series.
