

## SolarTech Power Solutions

# Huawei solar inverter background operation

Higher Anti-Rust Performance  
Lower Internal Impedance

## Overview

---

Does Huawei have a solar inverter?

Building on decades of experience in large-scale commercial and utility solar, Huawei jumped into the residential solar market in 2018 with an efficient, lightweight hybrid solar inverter offering an impressive range of features at a competitive price.

How does a Huawei inverter work?

Issue 03 (2021-09-30) Copyright © Huawei Technologies Co., Ltd. The inverter is integrated with a comprehensive residual current detection unit to distinguish fault current from residual current. Upon detecting that the residual current exceeds the threshold, the inverter immediately disconnects from the power grid.

How much does a Huawei inverter cost?

Comprehensive Value Proposition: With residential models starting at €785 and offering 10-year warranties, competitive pricing per kW, and advanced monitoring through the free FusionSolar platform, Huawei inverters deliver exceptional ROI with payback periods of 5-8 years in most markets.

Is Huawei a hybrid inverter?

Then, only two years later, Huawei released the second generation residential hybrid inverter, a new compact optimiser, a range of 3-phase hybrid, and large commercial inverters with advanced capabilities. Huawei pronounced “Hua-Way” is a Chinese communications and technology company mainly known for its mobile phones.

Are Huawei solar inverters safe in 2025?

Huawei solar inverters incorporate several breakthrough technologies that set them apart from competitors in 2025. One of the most significant safety innovations in Huawei inverters is the AI-powered Arc Fault Circuit Interrupter

(AFCI) system.

Are Huawei inverters battery-ready?

Yes, all Huawei residential inverters (SUN2000-L1 and M1 series) are battery-ready and support plug-and-play integration with LUNA2000 battery systems. You can add batteries years after the initial installation without requiring additional hardware or inverter replacement.
