Huijue 590w solar panel specifications

Overview

This product features a maximum power output of 590W, with an operating temperature range of -40°C to +85°C. The electrical performance includes an open-circuit voltage (Voc) of 54.76V and a short-circuit current (Isc) of 13.71A.

This product features a maximum power output of 590W, with an operating temperature range of -40°C to +85°C. The electrical performance includes an open-circuit voltage (Voc) of 54.76V and a short-circuit current (Isc) of 13.71A.

The ZP5MxxxH60 (H) Multi Busbar Monocrystalline Half Cell PV Module of [.]
The 6BB Big Cell Modules 550-600W are high-performance solar panels.

This guide breaks down everything you need to know about 590-watt solar modules in simple terms, ensuring even beginners can understand their potential. What Are 590-Watt Solar Modules?

Think of these modules as mini-power stations that convert sunlight into electricity. A single 590-watt module.

Better weak light performance Excellent PID resistance Highest reliability & module 100% 99.00% 94.6% 87.4% enhanced crack tolerance MBB Sustain heavy snow & wind loads (5400 Pa & 2400 Pa) IEC 61215, IEC 61730 UL 61730-1, UL 61730-2 ELITE SERIES N TOPCON TECHNOLOGY BiN-08-560 to BiN-08-590 Framed.

Better light trapping and current collection to improve module power output and reliability. Excellent Anti-PID performance guarantee via optimized mass-production process and materials control. Module power increases 5-25% generally, bringing significantly lower LCOE and higher IRR. The N-type.

N Type High Efficiency 590W Solar Panels are designed to capture sunlight more effectively than traditional solar panels. With a maximum output of 590

watts per panel, they offer higher efficiency and better performance, especially in low-light conditions. These panels use advanced N-Type.

Cell Type: N-type Mono-crystalline Weight: 27.0Kg Dimensions: 2278×1134×30 mm Warranty: 12 years Packing Detail: 36 pcs/pallets, 72 pcs/stack, 720 pcs/40'HQ Container The Jinko Solar N-type 590W Mono-Facial Solar Panel JKM570-590N-72HL4- (V) is the perfect choice for your solar installation. This.
