

## SolarTech Power Solutions

# Investing in energy storage equipment for enterprises

- ☑ High energy density and long cycle life
- ☑ Modular structure

No need to replace the battery

Shorter charging time

Meets 99% EV car

## Overview

---

In this article, we explore three business models for commercial and industrial energy storage: owner-owned investment, energy management contracts, and financial leasing. We'll discuss the pros and cons of each model, as well as factors to consider when choosing the best model for your business.
