Laos New Energy Charging Station Site

Overview

How many EV charging stations are there in Laos?

With 24 charging stations already in operation across the country, LOCA aims to increase this number to 40 by the end of 2024. Ms Phonepasong MIXAB, Co-founder & CEO of LOCA (KPL) Laos is currently adding 500 EVs every month and likely to install even more.

How many fast-charging stations in Laos in 2024?

LOCA, a leader in electric vehicle (EV) infrastructure, has achieved a significant milestone by installing 40 fast-charging stations across Laos in 2024.

How long does it take to charge an EV in Laos?

The company's fast-charging stations deliver power at 120-240 kW, allowing EVs to fully charge in just 20-30 minutes. Through the LOCA EV app, users can locate and navigate to charging stations nationwide, view real-time usage status, and ensure worry-free travel from Laos' northernmost to southernmost points.

How can Loca help build a sustainable future for transportation in Laos?

These partnerships underscore LOCA's pivotal role in building a sustainable future for transportation in Laos. Demand for EVs in Laos has surged unprecedentedly. 2,101 EVs were imported in 2023, accounting for 25.1% of all new vehicle registrations.
