Luxembourg Solar Water Pump Inverter

Overview

What is the new solar water pump inverter Sp100 series?

After years of deep cultivation and exploration in the solar water pump industry, INVT has carefully developed a new solar water pump inverter: SP100 series. SP100 has comprehensively upgraded the usability, functionality, and performance of its existing solar water pump products.

Are Kuvo solar water pump inverters IP54 rated?

KUVO's IP54-rated drives have performed flawlessly, improving motor efficiency and reducing downtime. Excellent product and support!" "We installed KUVO's solar water pump inverters for our irrigation system in Kenya, and the results have been amazing!.

What makes Sp100 a good solar water pump?

SP100 has comprehensively upgraded the usability, functionality, and performance of its existing solar water pump products. Adopting IP66 high protection design, SP100 can be directly used outdoors without the need for additional cabinets. And it supports external IoT devices and achieves status monitoring and remote control of the inverter.
