

SolarTech Power Solutions

North Macedonia pure sine wave 20kw inverter manufacturer

Overview

What is hybrid 20kW solar power inverter?

This is Hybrid 20KW Solar Power Inverter, used for all kinds of home application, office equipment, solar power system, and other equipment which use single phase or three phase power. CPU, select high quality components carefully made, stable performance, high reliability. CPU intelligent control, pure sine wave output, easy to use.

What is a 20kW grid tie solar inverter?

Pure sine wave 20kW rated power grid tie solar inverter with competitive price and excellent quality, 2 MPPT, maximum input voltage to 850V, three phase 240V/ 380V/ 460 AC rated output voltage. The protection degree of the 20kW grid tie inverter is IP65.

What is the protection degree of 20kW grid tie inverter?

The protection degree of the 20kW grid tie inverter is IP65. MPPT efficiency can reach 99.5% with perfect self-detection and self-protection function. 3 phase on grid solar inverter is a good choice for home or industrial use.
