

SolarTech Power Solutions

Outdoor battery cabinet 220v large capacity BESS

**PV / DG
Application**

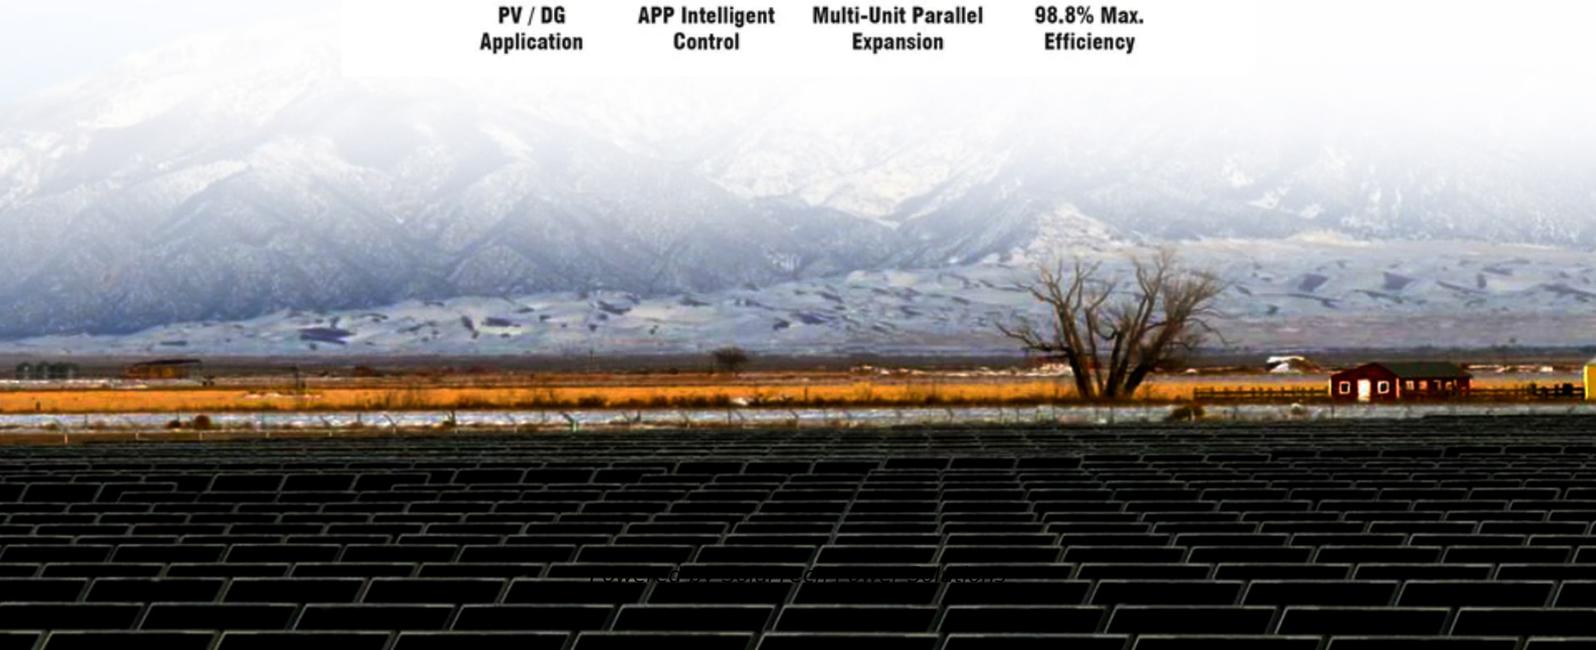

**APP Intelligent
Control**

**Multi-Unit Parallel
Expansion**

**98.8% Max.
Efficiency**

Overview

Outdoor Cabinet BESS CX-CI002 is an all-in-one 215kWh lithium battery storage cabinet system specifically developed for demand regulation, peak shaving, industrial and commercial energy storage, etc. What is C&I outdoor lithium battery storage cabinet system?

It integrates 215kWh LiFePO4 batteries with BMS, high-voltage box, power distribution system, PCS (Power Conversion System), control system, fire protection system, temperature control system, and EMS (Energy Management system) monitoring system. C&I Outdoor Lithium Battery Storage Cabinet System.

What is a Bess battery?

The small BESS series is a fully integrated battery energy storage system that's built to last. The Series is both scalable and engineered for modularity with a low MTTR, making it ideal for medium renewable energy projects. It offers flexible and scalable designs for various applications, whether you need a small or medium energy storage solution.

What is a commercial & industrial battery storage cabinet?

Commercial & Industrial Battery Storage Cabinet have a wide range of applications across various sectors, including the energy grid, industry, residential, and transportation. These applications help enhance grid stability, improve energy efficiency, support renewable energy integration, and provide backup power.

What is Bess cx-ci002?

Advanced liquid cooling technology; Widely used in large C&I energy storage systems; Meets power demand regulation and peak shifting. Outdoor Cabinet BESS CX-CI002 is an all-in-one 215kWh lithium battery storage cabinet system specifically developed for demand regulation, peak shaving, industrial and commercial energy storage, etc.

What is a small BESs cabinet?

Small BESS Cabinets The small BESS series is a fully integrated battery energy storage system that's built to last. The Series is both scalable and engineered for modularity with a low MTTR, making it ideal for medium renewable energy projects.

What are the different types of Bess cabinets?

Our BESS is modular, which means you can mix and match cabinets to suit your system requirements. Plus, it comes in two variants, AC Single Bay and AC Dual Bay. **Medium BESS Cabinets** The medium series battery energy storage system is designed with versatility and scalability in mind.
