

SolarTech Power Solutions

Solar Control Systems Company

Overview

Who is a local solar company?

We are a local company with offices across Long Island and New York City. Since our entire team is locally-based, friends and neighbors will design, install, and service your custom solar system. Going solar doesn't have to be confusing. Our Learning Center was created to live up to our motto - making solar simple.

How many solar companies are there in New York?

According to the Solar Energy Industries Association (SEIA), there are 219 solar installers and developer companies in New York. All of this competition can make it challenging to know which solar company is right for your home, so use these tips to help you with your decision:.

Who is the best solar installer in New York?

SunPower has been in the home solar business for more than 30 years and has become one of the solar industry's top installers. SunPower's premium systems are the most efficient you can get from any provider in New York, so they're ideal for getting the most out of the limited sunshine available throughout most of the state.

Which company should I choose for solar in New York?

Here are the top companies we recommend for solar in New York: SUNation's mission is to create a more sustainable world through renewable, clean energy for generations to come. With an outstanding customer experience, we strive to help our communities take control of their energy usage through clean, reliable solutions. S.

How do I find a solar installer in New York?

A unique challenge of finding a solar installer in New York is that most solar companies only have locations in and around New York City. Availability is

extremely important for people who don't live in the city or on Long Island. Tesla scores well in this category, with more locations spread throughout the state than any other installer.

What are the best Solar Lease companies in New York?

Plus, SunPower guarantees the energy output from the system you lease, which is an additional protection that other companies don't always provide. Sunrun is another big name you'll likely come across when researching solar leases in New York.
