Solar panels for Hungarian homes

Overview

The Hungarian Ministry of Energy has said that more than 20,000 households have applied for the Napenergia Plusz Program, a grant scheme for installing residential solar panels and storage systems. The government offers up to HUF 5 million per property, with the average request being.

The Hungarian Ministry of Energy has said that more than 20,000 households have applied for the Napenergia Plusz Program, a grant scheme for installing residential solar panels and storage systems. The government offers up to HUF 5 million per property, with the average request being.

The Hungarian government says 20,000 households have signed up for its PV subsidies scheme, which offers up to HUF 5 million (\$14,125) per home installation. The original HUF 75.8 billion budget was increased by HUF 30 billion in July. The Hungarian Ministry of Energy has said that more than 20,000.

More than 21,000 households applied for subsidies for home solar panels and battery storage in the first week of the 75 billion forint (EUR 196.1m) scheme, Energy Minister Csaba Lantos said in an interview with news portal index.hu published on Saturday. Households may apply for up to 5 million.
