

SolarTech Power Solutions

Swiss outdoor power supply sales factory

Overview

What makes Puls Switzerland a good company?

PULS Switzerland is built on the values of the PULS Group. We cultivate openness, honesty and fairness in dealing with all our business partners. Responsible behavior towards our business partners and (social and natural) environment is at the center of our work.

How many UPS & battery systems have been installed in Switzerland?

More than 30'000 UPS and battery systems have been successfully delivered, installed and are in operation at more than 3'000 clients in more than 100 countries. This success is based on traditional Swiss values that focus on technical excellence and quality in all areas of operation. We welcome you to be part of it.

Who owns Powerparts AG?

Service and product competence are the basis for a successful and long-term cooperation with our customers. The parent company of Exista AG (Vipotal Holding) has signed an agreement to acquire PowerParts AG. At the same time, Thomas Fischer is taking over the role of CEO from Ernst Roth.
